P.-T. A. Units Enjoy Christmas Program by Students Wednesday

The annual Christmas festival given by the high school students was greatly enjoyed by a large audience of members and friends of the high school and elementary school P.-T. A. units in the high school auditorium on Wednesday evening.

Mrs. H. F. Cousins, president of the high school P.-T. A. opened the meeting and introduced her co-worker Mrs. C. P. Klassen, president of the grammar school P.-T. A.

A group of Boy Scouts led the audience in the salute to the flag, followed by the invocation given by Rev. J. H. Bennett.

The high school orchestra under the direction of Guiber DuMont played a Christmas overture, followed by the entrance of the a cappella choir. The auditorium was darkened as the choir entered each member carrying a lighted taper. C. P. Klassen directed them in the following numbers: "Deck the Halls," "Go Tell It On the Mountain," "What Can It Mean" and "Praise Ye the Lord."

The Christmas play "The Gift" was then ably given by the following cast: Marie, Betty Putney; Persome, Reba Fryar; Bishop, David Solon; convict, Conrad Smith; Sergeant, Ross Fuller. The play was directed by Miss Paula Bradshaw and the beautiful pageantry in the second scene was directed by Miss Mary Lewis.

The music between scenes was by the instrumental ensemble and group from the chorus.

The entire program was beautiful and impressive and as the audience left the auditorium each felt as if the Christmas spirit had been ushered in, in a reverent way by music, carols and pageantry.

"Junior Miss" to Be Presented in San Jose Jan. 16

"Junior Miss," latest smash hit comedy by the authors of "My Sister Eileen," comes to the civic auditorium, San Jose, for one night on Sunday, Jan. 16. The "buoyant, giddy" comedy will come to San Jose from a month's repeat engagement at the Geary theater, San Francisco, where it opens next Monday. 720 times in New York, 200 times in Chicago, is indication of the riotous success of this delightful comedy of family life.

Hermine Monroe, "find of the year," plays the irresistible young girl, while Lois Wilson and Eddie Nugent of picture fame are the parents. According to the New York Herald Tribune, "Junior Miss brings joy and gaiety into the theater... it is a delightful and winning comedy of charm and brightness."

Tickets for "Junior Miss" are on sale at the auditorium box office, Columbia 7087.

This was followed by a visit from Santa, after which the members enjoyed delicious refreshments served by the committee.

OUR DEMOCRACY — by Mat

TOMORROW WILL BE ANOTHER DAY.

A GRASSHOPPER SANG THROUGH THE SUMMER. WHILE AN ANT STORED GRAIN. "WHY DO YOU NOT ENJOY YOURSELF AS I DO," THE GRASSHOPPER ASKED. "WHILE THIS FINE WEATHER LASTS? WINTER IS TIME ENOUGH TO SAVE." "IN WINTER," THE ANT REPLIED, "WHEN THERE IS NO MORE GRAIN, THERE IS TIME ENOUGH FOR SINGING. BETTER TO SAVE NOW AND SING TOMORROW THAN SING NOW AND TOMORROW REGRET." — OLD FABLE.

IF WE SPEND MONEY HEDDLESSLY TODAY WE MAY FIND OURSELVES NEEDING IT TOMORROW. BUT IF WE SAVE TODAY, THROUGH WAR BONDS, LIFE INSURANCE AND SAVINGS ACCOUNTS — WE NOT ONLY HELP TO FINANCE THE WAR AND KEEP PRICES DOWN — WE ARE STORING UP FOR OUR FUTURE SECURITY.

Helah Laird Dies Tuesday After Very Brief Illness

The many Campbell friends of Miss Helah Laird and her aunt, Mrs. L. J. Carboni were shocked to hear of her death, which occurred Dec. 21 after a few hours illness.

Miss Laird, the daughter of pioneer settlers, Joseph Austin Laird and Emma Gruwell Laird, who crossed the plains in 1846 and 1849 respectively, was born near Santa Clara, April 29, 1863.

For the past twenty years Miss Laird had made her home with Mr. and Mrs. Carboni. She was an ardent gardener and maintained a wonderful garden at their home. She was also one of the regular attendants of Pundita Circle, entering into its various activities.

Two sisters survive, Mrs. E. R. Parsons of Campbell, and Mrs. J. F. Randolph of San Jose, also two nieces, Mrs. Carboni and Mrs. Frank Garner of San Jose.

Pfc. Harry Rediker Sees Action At Tarawa

Mrs. Harry Rediker, Meridian road, received a letter Saturday from her son, Pfc. Harry C. Rediker, written Dec. 8.

Harry was among the first landings of marines to invade Tarawa, and had been active in Tulagi and Guadalcanal, in the latter of which he was wounded and received the Purple Heart.

He writes relative to Tarawa, "I had several close calls but was not hit. We left the island on the fourth day and were we glad to get off that soon."

Harry graduated from Campbell high school in 1940 and was a student at San Jose State college when he enlisted two days after Pearl Harbor.

Born: To Mr. and Mrs. Jack P. Fox of Campbell, a girl, Sandra Lee, Dec. 17, at San Jose hospital.

Chaplain Richard Barnes of Moffett Field presented a realistic picture of war plans and their potentialities in a talk which he called "Destiny's Hour In the Pacific Basin," at the Tuesday meeting of the Kiwanis club.

He discussed the destruction of Nanking as reported to him by an eyewitness, on the boat coming home. He told of his own personal knowledge many items of interest connected with our Pacific position.

The importance of the Chinese resistance and its value to our situation was explained. Also the different phases of the Japanese plan as it unfolded showed what a danger this country faced when the United States Navy made such a timely stop of the Japanese naval movement in the Coral Sea, at Midway and the Aleutians.

The course of the Pacific War, he stated, was changed at that moment and it might well have been a tragic moment for our own civilization for centuries to come.

He said that we must win the "War of the Pacific Basin" and carry on the Christian movement in the westward course it has always taken from the beginning.

A group of Campbell high school girls directed by C. P. Klassen sang the Christmas carols, "Alleluiah," "Joy to the World" and "Silent Night."

Ira Abbott was the day's chairman.

Visitors were A. A. Arends and W. S. Plymale of Campbell, Maurice Moore, Mt. View and Joe McKinnon, San Jose.

Next week will be installation of officers by Henry S. Buell of San Jose, past lieutenant-governor of Kiwanis.

Merry Christmas!

This is our third Christmas of the war. But the imperish-

able hope that ever shines anew at this season has not been dimmed by the clouds of conflict.

Our loved ones may be half the earth away, vast oceans may lie between us, but we know that their hearts have winged their way homeward to join us in the family gathering. They are with us in spirit and we feel their presence.

Again the timeless Christmas carols ring out across the chill, still air. Again the story of the Christ child is told. Again the star of Bethlehem sheds its magic light around the world.

By the fireside, eager little hands work swiftly to hang the stockings to be filled by the jolly old man with the reindeer. Rosy cheeks, flush-

ed with excitement, shine in the gay lights of the Christmas tree. In dark corners of the house the long-hidden toys wait patiently to be taken from their secret places.

In millions of American homes the light hearts and bubbling laughter of our children tell of their freedom from fear. We know that freedom is being fought for—bought for them by the courage and sacrifices of the sons and brothers and fathers from families all over our land.

But we hope—we pray—that this time the promise of "Peace on earth, good will to-ward men" will become an

Food is a munition of war and the government is urging a war on its waste in the home.

Kitchen efficiency should include three points: Buy as nearly as possible just the required amount; serve moderate helpings; use all leftovers.

Holiday Greetings - - - 1943

War or peace, a brave new world is in the making--a world in which better opportunities will be had for all. The Spirit of Progress is on the march, and we all look hopefully to the future. At this time it is fitting that we count our many friends and recall the happy relationships of 1943. We wish all of you the choicest blessings that Christmastime can bestow.

Ruth Cowles Letters to Be Published

A number of our readers having expressed their interest in the letters we have published written by Miss Ruth Cowles from South Africa to her mother, Mrs. Amy B. Cowles in Claremont, California, we are beginning the last which has just been received.

For our number of new subscribers we note that, after spending many years as educational missionaries in Durban, Natal, in Africa, the Cowles family resided in Campbell for a few years.

They returned to Africa, after more years of service again came back to the United States, but a daughter, Ruth, remained as a medical missionary in South Africa in charge of a clinic from which she sends these letters and from which excerpts are made.

Dear Friends:

Once again Ruth and I are sending to you our united Season's Greetings! And this year it is in the spirit of great and joyful anticipation that we ask you all to join with us; for on or about Jan. 1, 1944 at Ruth's Health Center, a large new modern building will be formally opened.

Alexandra Health Centre and University Clinic, Bergville Post, Johannesburg, So. Africa, Aug. 25, 1943

The year of 1942 was marked by ever-increasing numbers attending the various clinics of the Alexandra Health Centre and the numbers are still rising!

A splendid Board of Management, headed by Chief Justice O. D. Schreiner, continues to guide the development of the Health Centre. The work of the Centre is subsidized by local councils, also supported by patients' fees, which amounted in 1942 to over \$6000 and by a large number of gifts from friends in the country and in the U. S. A. In addition to this, half of the salary of the Nursing Superintendent is met by the First Congregational church of New Britain, Conn., and the other half by the American Board.

It was through several generous personal donations that the new buildings now in course of erection were made possible. For the present, the buildings will consist of a central block for clinics and offices, a Native nurses' home and a cottage for the European staff and a laundry.

The Genesis of An Old Favorite

By IRVIN S. COBB

THERE are several variations of this yarn but a Scotch friend of mine insists that the one which follows is the correct one and, by that same token, the proper ancestor of all the crop of differing

versions. As he sets forth the original narrative it runs something like this:

An Aberdonian on his first visit to London got off the train at Euston station. While proceeding afoot along Euston Road on his way to his hotel he suffered a terrific misfortune. He dropped a sixpence and it rolled out of sight. The desolated victim put down his luggage and began a vigorous search for the missing coin. Presently a friendly policeman came along and having learned from the grief-stricken Scot what the trouble was proceeded to aid him in the hunt, but with no results, excepting the loss of fifteen minutes. Finally the Bobby said:

"You go along on your way and I'll keep my eye open for your money. If it turns up I'll have it for you, if you'll come back this way this afternoon."

During the day the gas company had had a squad of men excavating in the street for new mains so that when the Aberdonian reappeared he found the paving torn up and a wide, deep trench extending from the house-line to the middle of the road. He gazed at the scene for a moment and then remarked to himself:

"Well, I must admit one thing — they are verra thorough here."

Some Residents Violate Dimout Regulations

The raising of the dimout regulations has resulted in some violations regarding electric lights left on in the homes or yards when no one is present to turn them out in case of an air raid alarm.

This order was not rescinded when the dimout orders were eased, and the violations are either the result of misunderstanding or carelessness.

The civilian defense council reminds every one to see that no lights are left unguarded.

Drive for Funds To Fight Polio To Start Jan. 14

The campaign for funds to fight infantile paralysis will begin Jan. 14 and end with President Roosevelt's birthday celebration, Jan. 31, the president of the National Foundation has announced.

"California was hit harder than any other section of the country this year, but wherever local facilities permitted, every victim received immediate hospitalization and treatment by technicians trained in the Kenny method. Most of this work was done by money furnished through the National Foundation, which had been collected through the "March of Dimes," and dollars.

Carl Luhdorf Home Burns

Christmas was seriously saddened for the Carl Luhdorf family of Meridian road, as their home located between Keesling avenue and Willow street was destroyed by fire Wednesday afternoon.

Cause of the fire has not been determined, none of the family being at home. Mrs. Luhdorf being away shopping, the two children at school and the father at the Food Machinery plant where he is a foreman.

The blaze was discovered by passersby and a fire truck from the state forestry station at Alma was called. Through the efforts of neighbors the furniture of the living and dining rooms and the Christmas tree were saved but contents of the rest of the house were totally destroyed, with the presents which were upstairs.

The family is at present with Mrs. Luhdorf's mother, Mrs. Lydia Wolff in San Jose.

HIGH SCHOOL NOTES
From Campus EchoCampbell Wins
In Fremont Tilt

Winning a double-header over Fremont the Campbell 130's and varsity started their season with their usual spunk and class. The 130's swept over their opponents by a 20-4 score, outclassing them in every field. Capt. Bob Amaro led with nine points.

The varsity game was a different story as the two teams were as evenly matched as they could be, Fremont having the edge on height and Campbell having the advantage with the lanky Center, Bill Wilson, who was definitely on the "hot" side, as he tallied 14 of the 20 points of the game. Although it was the first game of the season, the team came through with a win, but only by hard work and the expert coaching of Ralph Noddin.

Lineups were as follows:
Varsity—Forwards, Capt. Del Grande, McQueen; center, Wilson; guards, Skaggs, Magnuson. Substitutes, Nelson, Cowper, Grattan. Smith, Howe, Gutto, Steele, Sizmore.

130's—Forwards, Capt. Amaro, Ekstrand; center, Williamson; guards, Buck, Dinapoli. Substitutes, Jeffers, Nichols, Lamar, Grim, Harris, Todd, Meyer, Zimmer, Furtado, Keesling.

Week's Vacation Coming
For C. U. H. S. Students

A week's vacation is in store for Campbell Hi students who will attend their last classes this year on Friday, Dec. 24. Exact schedule for that day was not available when Campus Echo went to press, but the Christmas program will provide more than an hour's entertainment for the student body.

Since classes are running right up to Christmas day students will not have to return between Dec. 25 and New Year's Day as they are doing in many schools. Happy vacation, everybody! See you next year.

Wrestling Team Loses
To Lincoln in First
Match This Season

The wrestling team got off to a fair start Thursday in a match with Lincoln. The meet was supposed to have been with Fremont but they weren't ready.

Campbell was far out-classed and Lincoln had the edge on experience, but the Buccaneers held their ground to come out on the short end of a 34-10 score.

Santa Clara, who was next on the schedule, is not having a team this year, so Coach Walter Hill is trying to get a match with Hayward, here, Jan. 6. The first tournament will be held at Hayward Jan. 15.

Results of Thursday's practice tilt were: (first name winner)

Swenson (L) vs. Dourar, (C), fall, 3rd round; Swenson (L) vs. Shepherd (C), fall 1st round; Shipp (L) vs. Arnold (C), fall 1st round; Stour (L) vs. Owens (C), fall, 1st; Dykmans (L) vs. Hartley (C), fall 1st; Guardino (C) vs. Fairbanks (L), fall 2nd; Tellesfore (L) vs. Martin (C), fall 1st; Caruso (C) vs. Bishoff (L), pine, 1st; Johnson (L) vs. CcCorle (C), fall 3rd.

Campbell Students
Excell at U. C.

Campbell Union High school students at the University of California have made an enviable scholastic record, according to a recent publication issued by the Office of Relations, with Schools from University of California.

Campbell alumni have made better grades than students from any other school with an enrollment of 200 or more.

Only a few of our students go to the University as freshmen, only three entering last year. Most of our graduates go to San Jose State college, where they are also making an enviable record.

C. D. Pettis Announces
Oriole Is Under Way

Celiabel Pettis, commissioner of literary affairs, has made known her staff of editors and plans for the '44 Oriole.

The cover was recently selected and it definitely will be good, according to Celiabel. Staff members are busily at work on the dummy and getting a general outline of shape for the book.

Editors for special class work have been chosen and they are as follows: Jean Baird, senior; Barbara Piatti, junior; Clara Booker, sophomore; and Charles Savstrom, freshman.

In charge of girls' sports is Nora Lynch, and Bob Fero will handle sports for the boys. Other staff members selected but not yet assigned to their jobs are Royce Root, Donna Nichols, and Barbara Batti. Bill Courtney, as the staff photographer, expects to start a snapshot contest soon, and C. D. urged that if the students wish to see their pictures in the Oriole they should get busy with their cameras.

Scrap Drive Still On;
Bring In More Meta!

Although most of the students seem unable to realize it, the Scrap Drive is still under way, chairman Al McQueen repeated this week. Since the drive started, only about thirty per cent of all the students have contributed scrap.

The students who brought in the most scrap are Bernice Bernardasci, who has brought more scrap than any other student, with 1200 pounds on her record; Shirley Ribblett, with 100 pounds; Eugene Sheldon, who brought in 800 pounds; and Ruth Justice, with 600 pounds. "These patriotic students," said Al, "deserve praise as do all the students who have contributed. However, those who haven't yet should get to work and help."

Any student that has scrap but has no way to get it to school should contact the office, and it will be picked up.

M. F. Hughes and the committee have been working hard to get all the scrap possible. The Western Gravel company has already given about two tons of scrap, and there may be more.

The drive will last throughout the school year, as scrap metal is always needed, but all students are urged not to wait any longer.

Campbell High tennis girls played hostess recently to Santa Clara girl athletes in some of the best matches ever played here, according to Miss Ruth Eales.

There were two doubles and two singles matches played, and Campbell won all but one doubles match.

Bernice Bernardasci and Lorraine Macedo really had to battle for their match, winning from Nellie and Connie Quintero of Santa Clara.

Athena Changras defeated Florence Pontier with a 6-1, 6-4 score. Eleanor McQueen won over June Flora in an exciting match which ended in a 6-1, 6-3 score.

Rae David and Lorraine Persico played a hard game against Dolores Messa and Dorothea Starone, who won the match for Santa Clara with a 6-4, 6-4 score.

A Cappella Choir
Is Enlarged

The a cappella choir has been enlarged recently, new members volunteering from second period study hall to help out during the Christmas program. According to C. P. Klassen they are doing so well that if they had had two or three weeks more practice, the choir would have been able to take part in the annual Christmas choir festival held recently in San Jose.

Eight members of the choir, accompanied Miss Paula Bradshaw and the cast of the Christmas pageant to the Masonic Temple to perform for the Masons of San Jose on Dec. 17. Members of the choir were Betty Parsons, Reba Fryar, Beverly Parker, Norma Walker, Dorothy Arnold, Christine Sorensen, Eva Benevento and Marion Kittrell.

These eight girls also sang for Eastern Star in Los Gatos Monday, and for Campbell Kiwanis club Tuesday.

Air Scouts Being Organized Here
For Boys Interested in Airplanes

According to a recent announcement made by M. F. Hughes, the Air Scouts have plans to become one of the finest organizations at Campbell High.

Air Scouts, a branch of the Boy Scouts, are being organized and sponsored by W. H. Van Dyke, Ralph Noddin and Mr. Hughes with the aid of the Scoutmaster, "Red" Murphy.

Mr. Murphy, a local man, has flown his own plane, and his interest and experience will make the Scouts a very exciting organization.

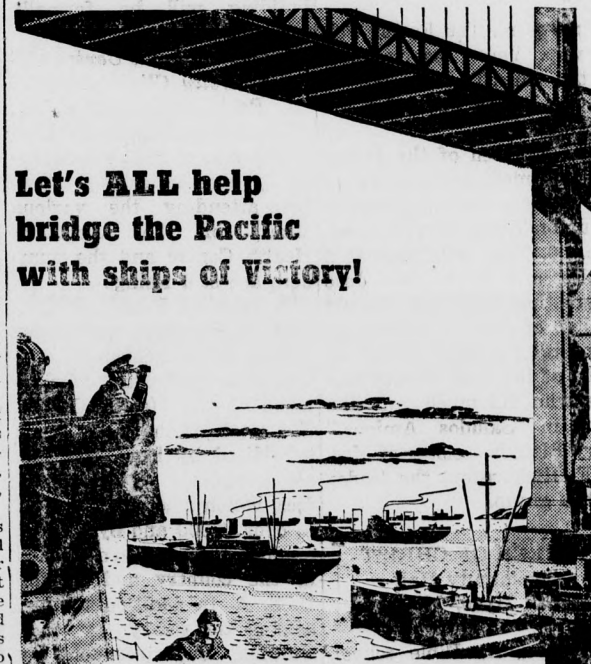

The program is to be a stiff

one with the making of model airplanes and gliders. If it is possible, the boys hope to be able to build a flyable glider.

A physical examination must be passed before any boy can join the organization. Any boy who can pass this examination, is fifteen years of age or more, and would like to join, should see one of the four men mentioned.

Two meetings have been held here at school, on Thursday evenings, but the boys expect to be in a room of their own in the Scout hall very soon.

Eight boys have signed up so far, and more are expected soon.

**Let's ALL help
bridge the Pacific
with ships of Victory!**

**YOUR GOVERNMENT
URGES YOU TO
CONSERVE
GAS and
ELECTRICITY
FOR ESSENTIAL USE**

Yes, you can help fill the ships and keep them sailing out the Golden Gate...by practicing rigid wartime economy in your home. Your Government asks you to conserve and save for Victory. That means waste and extravagance must be cut to minimum. Even where there is no rationing and the supply is plentiful and the cost has not risen, use only what you need and no more.

This is true of gas and electricity. Though plentiful and cheap, they must be used wisely to save manpower, transportation, fuel and critical metals. By more conservative use of gas and electricity you prolong the life of your appliances, obtain more efficient operation and help avoid replacement and repair of these essentials to your comfort, convenience and health.

This company has pledged full support to the government in the national conservation program. We urge our customers to help through voluntary cooperation.
